

AFFORDABLE HOUSING AGREEMENT

THIS AFFORDABLE HOUSING AGREEMENT (the "Agreement") is entered into this 25th day of January, 2007 by and between the **REDEVELOPMENT AGENCY OF THE CITY OF BURBANK**, a public body, corporate and politic (the "Agency") and **BURBANK HOUSING CORPORATION**, a California nonprofit corporation (the "Developer").

RECITALS

A. The Agency is required by California Health and Safety Code Section 33334.2, *et seq.*, to expend a certain percentage of property taxes allocated to it for the purpose of increasing, improving and preserving the City of Burbank's (the "City") supply of low- and moderate-income housing available at an affordable housing cost. Pursuant thereto, the Agency has established a Low and Moderate Income Housing Fund (the "Housing Fund").

B. The Developer is negotiating an agreement to purchase real property improved with six (6) rental units located at 2219 and 2329 North Niagara Street in the City of Burbank (the "Property"), located on the land more particularly described in the Legal Description attached hereto as Exhibit A, and incorporated herein by reference.

C. By this Agreement, and subject to the terms and conditions herein, the Agency desires to provide financial assistance to the Developer in the form of a loan of Housing Funds in the amount of One Million, Eight Hundred Thirty-Six Thousand, Nine Hundred Twenty-Nine Dollars (\$1,836,929.00) (the "Agency Loan"), to acquire and rehabilitate the Property. In consideration for the Agency Loan, the Developer desires to acquire and rehabilitate the Property, and to maintain the Property as an affordable housing project.

D. The acquisition, rehabilitation and operation of the Property pursuant to this Agreement is in the vital and best interest of the City of Burbank and the health, safety and welfare of the residents of the City, and in accord with the public purposes and provisions of applicable state and local laws and requirements.

F. On October 23, 2006, Developer, the Agency, and the City of Burbank ("City"), entered into a Loan Agreement which restated and amended the prior Affordable Housing Agreements as to twelve income-restricted projects, and combined all properties into one loan agreement. The new loan agreement includes cross collateralization and cross default clauses, as further security for the Agency and City. Additionally, a new deed of trust was recorded on all twelve properties securing the combined debt of Developer. The deed of trust recorded as Instrument No. 06 2369323 in the Los Angeles County's Records Office, states that it "secures all indebtedness owed to Beneficiary [City and Agency]for future amounts made from time to time, according to the terms of promissory notes made by Trustor [BHC]" and as to "payment of additional sums and interest thereon which may hereafter be loaned to Trustor...when evidenced by a promissory note or notes reciting that they are secured by this Deed of Trust as modified, and when this Deed of Trust is amended to included additional obligation.

G. The parties desire to amend the Loan Agreement in conjunction with this AHA to document the additional loan to Developer, and to modify and amend the deed of trust securing said loan.

NOW, THEREFORE, the parties hereto agree as follows:

200. REHABILITATION OF THE IMPROVEMENTS.

201. Rehabilitation of the Property. The Developer agrees to rehabilitate the Property in accordance with a Scope of Work which shall be prepared by Developer and provided to Agency for its review and approval. Once approved it shall be attached hereto as Exhibit E and incorporated herein by reference, the Federal Housing Quality Standards, 24 CFR §882.109, the City Municipal Code and all other applicable local codes, rehabilitation standards, ordinances and zoning ordinances, the lead based paint requirements of 24 CFR part 35, and accessibility standards pursuant to 24 CFR part 8 (the "Rehabilitation"). The Rehabilitation shall be conducted in such a manner so as to avoid or minimize tenant displacement to the greatest extent feasible, in accordance with the provisions of Section 209.2 hereof. The Developer further agrees to comply with and to cause any contractors and/or subcontractors to comply with the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 170u, and the implementing regulations, in connection with the Rehabilitation of the Property. Developer shall submit to the Agency one or more construction contracts with a duly licensed contractor or contractors reasonably acceptable to the Agency providing for the Rehabilitation of the Property in conformance with the terms of this Agreement. Each such contractor or contractors shall have provided to the Agency the certification in appendix B of 24 CFR part 24 that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation from this project, and the Agency shall be responsible for determining whether each contractor has been debarred. The Agency shall reasonably approve such contract or contracts if the Agency finds that such contractor or contractors have sufficient experience and expertise necessary to perform the Rehabilitation of the Property in a first class manner in accordance with all of the requirements of this Agreement. When HOME funds are not used in the Rehabilitation, Agency may waive requirements required herein if such provisions are not required for Agency set-aside projects.

202. Scope of Work. The Agency shall not be responsible to the Developer or to third parties in any way for any defects in the Scope of Work, nor for any structural or other defects in any work done according to the approved Scope of Work. The Developer shall hold harmless, indemnify and defend the Agency and their officers, employees, agents and representatives from and against any claims, suits for damages to property or injuries to persons arising out of or in any way relating to defects in the Scope of Work, including without limitation the violation of any laws, and for defects in any work done according to the approved Scope of Work.

203. Cost of Rehabilitation. The Rehabilitation of the Property shall be paid with the proceeds of the Agency Loan. The Developer shall be responsible for any additional funds necessary to complete the Rehabilitation of the Property; provided, however, that in the event that there are insufficient Agency Loan proceeds available to fund such work, the Agency shall reasonably consider deleting certain work from the Scope of Work, and the Developer shall accelerate payment

of all or a portion of the Developer Fee, in order to assure that there are sufficient funds for the Rehabilitation.

204. Timing of Rehabilitation. The Developer hereby covenants and agrees to commence the Rehabilitation of the Property within the time set forth in the Schedule of Performance. The Developer further covenants and agrees to diligently prosecute to completion the Rehabilitation of the Property in accordance with the approved Scope of Work and to file a Notice of Completion pursuant to California Civil Code Section 3093 within the time set forth in the Schedule of Performance.

205. City and Other Governmental Permits. Before commencement of the Rehabilitation of the Property, the Developer shall secure or cause its contractor to be secured any and all permits which may be required by the City or any other governmental agency affected by such construction, including without limitation building permits. The Developer shall pay all necessary fees and take all actions necessary to obtain such permits; the staff of the City and Agency will, without obligation to incur liability or expense therefor, use its best efforts to expedite the City's issuance of building permits for construction that meets the requirements of the City Code, and all other applicable laws and regulations.

206. Right of the Agency to Satisfy Other Liens on the Property After Agency Loan Disbursement. After the Developer has had written notice and has failed after a reasonable time to challenge, cure, adequately bond against, or satisfy any liens or encumbrances on the Property which are not otherwise permitted under this Agreement, the Agency shall have the right but no obligation to satisfy any such liens or encumbrances. Notwithstanding the above, the Developer shall have the right to contest the validity or amounts of any tax, assessment, or encumbrance applicable to the Developer in respect thereto.

207. Insurance and Indemnity. The Developer shall take out and maintain or shall cause its contractor to take out and maintain until the issuance of the Certificate of Completion pursuant to this Agreement, a comprehensive general liability policy in the amount of not less than Two Million Dollars (\$2,000,000) combined single limit policy. All policies shall protect the Developer and Agency from claims for such damages, and be issued by an insurance carrier qualified to do business in the State of California, which carrier is reasonably satisfactory to the Agency. Such policy or policies shall be written on an occurrence form. Developer shall also take out and maintain a policy of property damage insurance, with the policy amount in the full replacement value of the Property. The Developer shall also furnish or cause to be furnished to the Agency evidence satisfactory to the Agency that Developer and any contractor with whom it has contracted for the performance of work on the Property or otherwise pursuant to this Agreement carries workers' compensation insurance as required by law. Prior to the Closing of the Developer's acquisition of the Property, upon any procurement or renewal of an insurance policy, and not less than annually in any case, the Developer shall furnish a certificate of insurance countersigned by an authorized agent of the insurance carrier on a form approved by the Agency setting forth the general provisions of the insurance coverage. This countersigned certificate shall name the Agency and their officers, agents, and employees as additionally insured parties under the policy, and the certificate shall be accompanied by a duly executed endorsement evidencing such additional insured status, which shall be provided as a separate endorsement attached to the certificate. The certificate and separate endorsement by the insurance carrier shall contain a statement of obligation on the part of the carrier to notify the Agency of any material change, cancellation or termination of the coverage at least thirty (30) days in advance of the effective date of any such material change, cancellation or termination. Coverage

provided hereunder by the Developer shall be primary insurance and not be contributing with any insurance maintained by the Agency, and the policy shall contain such an endorsement. The insurance policy or the endorsement shall contain a waiver of subrogation for the benefit of the Agency. The required certificate shall be furnished by the Developer at the time set forth therefor in the Schedule of Performance. Developer shall also take out and maintain from the date of the Closing until the end of the Affordability Period a policy of property damage insurance, with the policy amount in the full replacement value of the Property.

In addition to the foregoing, the Developer shall defend, indemnify, assume all responsibility for, and hold the Agency, and their representatives, volunteers, officers, employees and agents, harmless from all claims, demands, damages, defense costs or liability of any kind or nature relating to the subject matter of this Agreement or the implementation thereof and for any damages to property or injuries to persons, including accidental death (including attorneys fees and costs), which may be caused by any acts or omissions of the Developer under this Agreement, whether such activities or performance thereof be by the Developer or by anyone directly or indirectly employed or contracted with by the Developer and whether such damage shall accrue or be discovered before or after termination of this Agreement. The Developer shall not be liable for property damage or bodily injury to the extent occasioned by the sole negligence of the Agency or its agents or employees.

208. Entry by the City and Agency. Developer shall permit the City and the Agency, through their officers, agents or employees, at all reasonable times to enter onto the Property and inspect the Property and work of Rehabilitation to determine that the same is in conformity with the Scope of Work and all the requirements hereof. The City and Agency intend that the Property will be inspected not less than annually to ensure compliance with the requirements of this Agreement. Developer acknowledges that the City or Agency is under no obligation to supervise, inspect, or inform Developer of the progress of construction, and Developer shall not rely upon the City or Agency therefor. Any inspection by the City and/or Agency is entirely for its purposes in determining whether Developer is in default under this Agreement and/or compliance with City building codes and is not for the purpose of determining or informing Developer of the quality or suitability of construction. Developer shall rely entirely upon its own supervision and inspection in determining the quality and suitability of the materials and work, and the performance of architects, subcontractors, and material suppliers.

209. Compliance With Laws. The Developer shall carry out the acquisition, design, Rehabilitation and operation of the Property in conformity with all applicable laws, including all applicable state labor standards, City zoning and development standards, building, plumbing, mechanical and electrical codes, and all other provisions of the City Municipal Code, and all applicable disabled and handicapped access requirements, including without limitation the Americans With Disabilities Act, 42 U.S.C. Section 12101, *et seq.*, Government Code Section 4450, *et seq.*, Government Code Section 11135, *et seq.*, and the Unruh Civil Rights Act, Civil Code Section 51, *et seq.*

209.1 Taxes and Assessments. The Developer shall be entitled to apply for and receive a full or partial exemption from the payment of property taxes and assessments which would be assessed upon the Property. The Agency does not represent or warrant to the Developer that such an exemption will be available to the Developer. The Developer shall pay prior to delinquency all ad valorem real estate taxes and assessments on the Property, subject to the Developer's right to contest in good faith any such taxes or to receive an exemption from the payment of such taxes as provided above.

209.2 Relocation.

a. **Survey.** Developer shall conduct and submit to the Agency a tenant survey, completed by each tenant household currently residing in the Property and such other information as reasonably required by Agency necessary to evaluate the relocation obligations, if any, required by federal, state and/or local law with respect to the Developer's acquisition and Rehabilitation of the Property.

b. **Existing Tenants.** As soon as possible after the date of this Agreement, the Agency and the Developer shall cooperate in sending notices to the existing tenants of the Property notifying such persons of the Developer's duty to complete the Rehabilitation of the Property in accordance with a schedule to be approved by the Agency, (i) notifying the tenants that they will be entitled to continue to lease their existing units, (ii) notifying the tenants that if they are required to temporarily relocate from their units they will be entitled to payment for out-of-pocket expenses incurred in connection with the temporary relocation, and (iii) offering such tenants the opportunity to lease their current units in the Property for not less than one year after completion of the Rehabilitation, upon reasonable terms and conditions, in conformance with the requirements of Section 92.353(c)(2)(1)(C)(1) of the HOME Program regulations. The form of such notice shall be approved by the City and Agency prior to its delivery to the tenants.

c. **Timing of Rehabilitation.** The Rehabilitation of the Property shall be conducted in such a manner as to prevent, to the maximum extent feasible, any permanent or temporary displacement of existing tenants of the Property in accordance with applicable law. In the event that any of the current tenants of the Property vacate their units voluntarily, or are evicted for cause based upon a serious or repeated violation of the terms of their lease or occupancy agreement, the Developer shall commence the Rehabilitation of such unit as soon as possible thereafter, and shall not re-lease such unit until after the completion of the Rehabilitation of such unit.

d. **Cost of Relocation.** In the event that any displacement of tenants of the Property occurs, the City shall provide relocation assistance in accordance with the Federal Uniform Relocation Assistance and Real Property Acquisition Act, 42 U.S.C. § 4201, *et seq.*, the California relocation law, Government Code Section 7260, *et seq.*, and the regulations adopted pursuant thereto by the United States, State of California and the City (collectively, the "Relocation Laws"), and in a manner approved by the City and Agency to each tenant household required to temporarily or permanently vacate a unit within the Property for purposes of completing the Rehabilitation. In the event of permanent displacement of existing tenants due to the implementation of this Agreement, despite the Developer's efforts to prevent such displacement as provided above, the Agency shall be fully responsible for administering determinations of eligibility and payments pursuant to the Relocation Laws.

209.3 Liens and Stop Notices. The Developer shall not allow to be placed on the Property or any part thereof any lien or stop notice. If a claim of a lien or stop notice is given or recorded affecting the Property the Developer shall within thirty (30) days of such recording or service or within five (5) days of the demand of the Agency, whichever last occurs: pay and discharge the same; or effect the release thereof by recording and delivering to the Agency a surety bond in sufficient form and amount, or otherwise; or provide the Agency with other assurance which the Agency deem, in their sole discretion, to be satisfactory for the payment of such lien or bonded stop notice and for the full and continuous protection of Agency from the effect of such lien or bonded stop notice.

300. OPERATION OF HOUSING

301. Affordable Units. Six units shall be covenanted to be used as affordable housing. The Developer agrees to make available, restrict occupancy to, and lease two (2) of the housing units within the Property to households with incomes that do not exceed fifty percent (50%) of Los Angeles County median income ("AMI"), adjusted for family size ("Very Low Income Households"), as established and amended from time to time by the United States Department of Housing and Urban Development ("HUD"); two units to households with incomes that do not exceed eighty percent (80%) of AMI, as adjusted for household size, ("Low Income Households") as established and amended from time to time by HUD; two units to households with incomes that do not exceed 120% of the AMI, as adjusted for household size ("Moderate Income Households") as established and amended from time to time by HUD; all at an Affordable Rent (the "Affordable Units"). If after the tenant's initial occupancy of an Affordable Unit designated for Low Income Households, the tenant's income increases to greater than eighty percent (80%) of Los Angeles County Median Income, adjusted for family size, the Monthly Rent charged by Developer may be increased to the maximum rent set forth in Section 302 hereof. The Developer shall comply with the terms set forth below and in the Regulatory Agreement which is attached hereto as Exhibit D and incorporated herein by reference.

The Developer shall annually submit to the Agency a completed income computation and certification form, in a form to be provided by the Agency, and such forms may change from time to time. The Developer shall certify that each tenant of the Property meets the income restrictions of this Section 301. The Developer shall obtain an income certification from the tenant of the Property which shall certify that the income of the tenant is truthfully set forth in the income certification form. Unless otherwise specified by the Agency, the Developer shall verify the income certification of the tenant in one or more of the following methods:

- a. obtain two (2) paycheck stubs from the tenant's two (2) most recent pay periods, if any.
- b. obtain a true copy of an income tax return from the tenant for the most recent tax year in which a return was filed.
- c. obtain an income verification certification from the employer of the tenant.
- d. obtain an income verification certification from the Social Security Administration and/or the California Department of Social Services if the tenant receives assistance from such agencies.
- e. obtain an alternate form of income verification reasonably requested by the Developer, if none of the above forms of verification is available to the Developer.

The Property shall be subject to the requirements of this Article 300 in perpetuity commencing upon the date of the Developer's acquisition of the Property. The duration of this requirement shall be known as the "Affordability Period."

302. Affordable Rent. The maximum Monthly Rent chargeable for the Affordable Units shall be annually determined by the Agency in accordance with Community Redevelopment Law requirements and the following requirements:

a. The Monthly Rent payable by the tenant of the Affordable Unit designated for Very Low Income Households shall not exceed the lesser of (a) the fair market value for comparable housing in the area as established by HUD, less the monthly allowance for utilities and services to be paid by each tenant, or (b) thirty percent (30%) of fifty percent (50%) of Los Angeles County median income, as determined by the State of California, for a household size appropriate to the unit. Notwithstanding the foregoing, however, if after the tenant's initial occupancy of the housing unit, the tenant's income increases to greater than fifty percent (50%) and less than eighty percent (80%) of Los Angeles County Median Income, adjusted for family size, the Monthly Rent charged by Developer shall not exceed the lesser of (a) the fair market value for comparable housing in the area as established by HUD, less the monthly allowance for utilities and services to be paid by each tenant, or (b) thirty percent (30%) of sixty percent (60%) of Los Angeles County median income, as determined by the State of California, for a household size appropriate to the unit. If after the tenant's initial occupancy of the housing unit, the tenant's income increases to greater than eighty percent (80%) of Los Angeles County Median Income, adjusted for family size, the Monthly Rent charged by Developer shall not exceed thirty percent (30%) of the tenant's adjusted income.

b. The Monthly Rent payable by each tenant of an Affordable Unit designated for Low Income Households shall not exceed the lesser of (a) the fair market value for comparable housing in the area as established by HUD, less the monthly allowance for utilities and services to be paid by each tenant, or (b) thirty percent (30%) of sixty percent (60%) of Los Angeles County median income, as determined by the State of California, for a household size appropriate to the unit. Notwithstanding the foregoing, however, if after the tenant's initial occupancy of the housing unit, the tenant's income increases to greater than eighty percent (80%) of Los Angeles County Median Income, adjusted for family size, the Monthly Rent charged by Developer shall not exceed thirty percent (30%) of the tenant's adjusted income.

c. The Monthly Rent payable to the tenant of the Affordable Unit designated for Moderate Income Households shall not exceed thirty five percent (35%) of one hundred ten percent (110%) of Los Angeles County median income, as determined by the State of California, for a household size appropriate to the unit.

d. For purposes of this Agreement, "Monthly Rent" means the total of monthly payments for (a) use and occupancy of the Property and land and legally required facilities associated therewith (including parking), (b) any separately charged fees or service charges assessed by the Developer which are required of all tenants, other than security deposits, (c) a reasonable allowance for an adequate level of service of utilities not included in (a) or (b) above, including garbage collection, sewer, water, electricity, gas and other heating, cooking and refrigeration fuels, but not including telephone service, and (d) possessory interest, taxes or other fees or charges assessed for use of the land and facilities associated therewith by a public or private entity other than Developer.

303. Lease Requirements. Prior to disbursement of the Agency Loan, the Developer shall submit a standard lease form to the Agency for its approval. The Agency shall reasonably approve such lease form upon finding that such lease form is consistent with this Agreement. The

Developer shall enter into a written lease, in the form approved by the Agency, with each tenant of the Property.

304. Affirmative Marketing. The rental of the Affordable Units shall be conducted in accordance with the affirmative marketing requirements which have been adopted by the Agency.

305. Selection of Tenants. The Property shall be leased to tenants selected by the Developer who meet all of the requirements provided by this Agreement.

306. Intentionally Reserved.

307. Occupancy Standards. To the extent legally possible, occupancy of the Affordable Units shall be limited to two persons per bedroom plus one additional person. Notwithstanding the foregoing, however, no residents of the Affordable Units as of the date of this Agreement shall be evicted from their apartment units solely because such residents do not meet the occupancy standards requirements of this Section 307.

308. Maintenance. The Developer shall maintain or cause to be maintained the interior and exterior of the Property in a decent, safe and sanitary manner. If at any time Developer fails to maintain the Property in accordance with this Agreement and such condition is not corrected within five days after written notice from the Agency with respect to graffiti, debris, waste material, and general maintenance, or thirty days after written notice from the Agency with respect to landscaping and building improvements, then the Agency, in addition to whatever remedy it may have at law or at equity, shall have the right to enter upon the applicable portion of the Property and perform all acts and work necessary to protect, maintain, and preserve the Property and landscaped areas on the Property, and to attach a lien upon the Property, or to assess the Property, in the amount of the expenditures arising from such acts and work of protection, maintenance, and preservation by the Agency and/or costs of such cure, including a reasonable administrative charge, which amount shall be promptly paid by Developer to the Agency, as appropriate, upon demand.

309. Management Plan. The Developer shall submit for the approval of the Agency a "Management Plan" which sets forth in detail the Developer's property management duties, the affirmative marketing procedures in accordance with Section 304 hereof, the tenant selection process in accordance with Section 305 hereof, a security system and crime prevention program, the procedures for the collection of rent, the procedures for eviction of tenants, the rules and regulations of the Property and manner of enforcement, a standard lease form in accordance with Section 303 hereof, the identity of the manager of the Property (the "Property Manager"), and other matters relevant to the management of the Property. The Management Plan shall require the Developer to adhere to a fair lease and grievance procedure and provide a plan for tenant participation in management decisions. The management of the Property shall be in compliance with the Management Plan which is approved by the Agency.

If the Agency determines that the performance of the Property Manager is deficient based upon the standards set forth in the Management Plan and in this Agreement, the Agency shall provide notice to the Developer of such deficiencies, and the Developer shall use its best efforts to correct such deficiencies. In the event that such deficiencies have not been cured within the time set forth in Section 401 hereof, the Agency shall each have the right to require the Developer to immediately remove and replace the Property Manager with another property manager or property management company which is reasonably acceptable to the Agency, which is not related to or affiliated with the

Developer, and which has not less than five (5) years experience in property management, including significant experience managing affordable multifamily residential development of the size, quality and scope of the Property.

310. Monitoring and Recordkeeping. Throughout the Affordability Period, Developer shall comply with all applicable recordkeeping and monitoring requirements and shall annually complete and submit to Agency a Certification of Continuing Program Compliance in the form provided by the Agency. Representatives of the Agency shall be entitled to enter the Property, upon at least twenty-four (24) hours notice, to monitor compliance with this Agreement, to inspect the records of the Property, and to conduct an independent audit or inspection of such records. The Developer agrees to cooperate with the Agency in making the Property available for such inspection or audit. If for any reason the Agency is unable to obtain the Developer's consent to such an inspection or audit, the Developer understands and agrees that the Agency may obtain at Developer's expense an administrative inspection warrant or other appropriate legal order to obtain access to and search the Property. Developer agrees to maintain records in businesslike manner, and to maintain such records for the term of this Agreement.

311. Non-Discrimination Covenants. Developer covenants by and for itself, its successors and assigns, and all persons claiming under or through them that there shall be no discrimination against or segregation of any person or group of persons on account of race, color, religion, sex, marital status, familial status, disability, national origin, or ancestry in the sale, lease, sublease, transfer, use, occupancy, tenure, or enjoyment of the Property, nor shall Developer itself or any person claiming under or through it, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees, or vendees in the Property. The covenants established in this Section 311 shall, without regard to technical classification and designation, be binding for the benefit and in favor of the Agency and their successors and assigns, and shall remain in effect in perpetuity.

312. Regulatory Agreement. The requirements of this Agreement which are applicable after the disbursement of the Agency Loan are set forth in the "Regulatory Agreement" which is attached hereto as Exhibit D and incorporated herein by reference. The execution and recordation of the Regulatory Agreement is a condition precedent to the disbursement of the Agency Loan, as set forth in Section 104 hereof.

400. DEFAULT AND REMEDIES

401. Events of Default. A failure by any party to perform any action or covenant required by this Agreement, the Regulatory Agreement, the Agency Loan Promissory Note, and/or the Agency Loan Deed of Trust, within the time periods provided herein following notice and failure to cure as described hereafter, constitutes a "Default" under this Agreement. A party claiming a Default shall give written notice of Default to the other parties specifying the Default complained of. Except as otherwise expressly provided in this Agreement, the claimant shall not institute any proceeding against any other party, and the other party shall not be in Default if such party cures such default within five (5) days if the claimed Default is a failure to pay amounts due pursuant to the Agency Loan Promissory Note, or thirty (30) days from receipt of such notice for all other claimed Defaults hereunder. However, in the event that such Default is other than a failure to pay money and is of such a nature that it cannot reasonably be cured within thirty (30) days from receipt of such notice, the claimant shall not institute any proceeding against the other party, and the other party shall not be

in Default if such party immediately upon receipt of such notice, with due diligence, commences to cure, correct or remedy such failure or delay and completes such cure, correction or remedy with diligence as soon as reasonably possible thereafter. In the event that the Developer is in default on any loan or deed of trust, the Developer shall immediately deliver to the Agency a copy of such notice of default. Even if the holder of such loan or deed of trust has not exercised its rights or remedies with respect to such default, the Agency shall each have the right (but not be obligated to) cure such default. In such event, the Agency shall be entitled to reimbursement from the Developer of all costs and expenses they have actually incurred in curing such default. The Agency (as applicable) shall be entitled to add the amount incurred by it to the amounts owing pursuant to the Agency Loan Promissory Note, and secured by the Agency Loan Deed of Trust.

402. Remedies. The occurrence of any Event of Default shall give the nondefaulting party the right to proceed with any and all remedies set forth in this Agreement and/or the Agency Loan Promissory Note, the Agency Loan Deed of Trust, or Regulatory Agreement (collectively, the "Loan Documents"), including an action for damages, an action or proceeding at law or in equity to require the defaulting party to perform its obligations and covenants under the Loan Documents or to enjoin acts or things which may be unlawful or in violation of the provisions of the Loan Documents, and the right to terminate this Agreement. In addition, the occurrence of any Event of Default by Developer will relieve the Agency of any obligation to perform hereunder, including without limitation to make or continue the Agency Loan, and the right to cause all indebtedness of the Developer to the Agency under this Agreement and the Agency Loan Promissory Note, together with any accrued interest thereon, to become immediately due and payable.

403. Force Majeure. Subject to the party's compliance with the notice requirements as set forth below, performance by either party hereunder shall not be deemed to be in default, and all performance and other dates specified in this Agreement shall be extended, where delays or defaults are due to causes beyond the control and without the fault of the party claiming an extension of time to perform, which may include the following: war, insurrection, strikes, lockouts, riots, floods, earthquakes, fires, assaults, acts of God, acts of the public enemy, epidemics, quarantine restrictions, freight embargoes, lack of transportation, governmental restrictions or priority, litigation, unusually severe weather, inability to secure necessary labor, materials or tools, acts or omissions of the other party, or acts or failures to act of any public or governmental entity (except that the acts or failure to act of the Agency shall not excuse performance of the Agency hereunder). An extension of the time for any such cause shall be for the period of the enforced delay and shall commence to run from the time of the commencement of the cause, if notice by the party claiming such extension is sent to the other party within thirty (30) days of the commencement of the cause. Inability to obtain financing for the acquisition or operation of the Property shall not constitute an event beyond the control of the Developer for purposes of this Section 403.

404. Attorneys' Fees. In addition to any other remedies provided hereunder or available pursuant to law, if either party brings an action or proceeding to enforce, protect or establish any right or remedy hereunder or under any of the Loan Documents, the prevailing party shall be entitled to recover from the other party its costs of suit and reasonable attorneys' fees.

405. Remedies Cumulative. No right, power, or remedy given by the terms of this Agreement or the Loan Documents is intended to be exclusive of any other right, power, or remedy; and each and every such right, power, or remedy shall be cumulative and in addition to every other right, power, or remedy given by the terms of any such instrument, or by any statute or otherwise.

406. Waiver of Terms and Conditions. Any party may, in its sole discretion, waive in writing any of the terms and conditions of this Agreement. Waivers of any covenant, term, or condition contained herein shall not be construed as a waiver of any subsequent breach of the same covenant, term, or condition.

407. Non-Liability of Agency Officials and Employees. No member, official, employee or agent of the Agency shall be personally liable to the Developer, or any successor in interest, in the event of any default or breach by the Agency or for any amount which may become due to the Developer or its successors, or on any obligations under the terms of this Agreement.

500. GENERAL PROVISIONS

501. Time. Time is of the essence in this Agreement.

502. Notices. Any approval, disapproval, demand, document or other notice ("Notice") which either party may desire to give to the other party under this Agreement must be in writing and may be given either by (i) personal service, (ii) delivery by reputable document delivery service such as Federal Express that provides a receipt showing date and time of delivery, or (iii) mailing in the United States mail, certified mail, postage prepaid, return receipt requested, addressed to the address of the party as set forth below, or at any other address as that party may later designate by Notice:

503. Representations and Warranties of Developer. Developer hereby represents and warrants to the Agency as follows:

a. Organization. Developer is a duly organized, validly existing nonprofit corporation in good standing under the laws of the State of California and has the power and authority to own its property and carry on its business as now being conducted.

b. **Authority of Developer.** Developer has full power and authority to execute and deliver this Agreement and to make and accept the borrowings contemplated hereunder, to execute and deliver the Loan Documents and all other documents or instruments executed and delivered, or to be executed and delivered, pursuant to this Agreement, to acquire, Rehabilitate and operate the Property, and to perform and observe the terms and provisions of all of the above.

e. **Layering Review.** Intentionally omitted.

504. Limitation Upon Change in Ownership, Management and Control of the Developer.

a. **Prohibition.** The identity and qualifications of Developer as a locally based, experienced and successful operator of affordable housing projects, and as a "Community Housing Development Organization", are of particular concern to the Agency. It is because of this identity and these qualifications that the Agency has entered into this Agreement with the Developer. No voluntary or involuntary successor in interest of the Developer shall acquire any rights or powers under this Agreement by assignment or otherwise, nor shall Developer make any total or partial sale, transfer, conveyance, encumbrance to secure financing, assignment or lease of the whole or any part of the Property, without the prior written approval of the Agency pursuant to Subparagraph (c) hereof, except as expressly set forth herein, which approval shall not be unreasonably withheld.

b. **Permitted Transfers.** Notwithstanding any other provision of this Agreement to the contrary, Agency approval of an assignment or transfer of this Agreement, the Agency Loan and the Promissory Note, the Deed of Trust, the Regulatory Agreement, or conveyance of the Property or any part thereof pursuant to subparagraph (c) of this Section 504, shall not be required in connection with any of the following (the "Permitted Transfers"):

(ii) Assignment for financing purposes, subject to such financing being considered and approved by the Agency.

In the event of an assignment by Developer not requiring the prior approval of the Agency, Developer nevertheless agrees that at least ten (10) days prior to such assignment or transfer it shall give written notice to Agency of such assignment or transfer.

c. **Agency Consideration of Requested Transfer.** The Agency agrees that it will not unreasonably withhold approval of a request made pursuant to this Section 504, provided (a) the Developer delivers written notice to the Agency requesting such approval, and (b) the proposed assignee or transferee possesses comparable operational experience and capability, and comparable net worth and resources, as the proposed transferor or assignor, and (c) the assignee or transferee assumes the obligations of the Developer under this Agreement in a form which is reasonably acceptable to the Agency, and (d) the assignee or transferee is a Community Housing Development Organization. Such notice shall be accompanied by evidence regarding the proposed assignee's or purchaser's qualifications and experience and its financial commitments and resources sufficient to enable the Agency to evaluate the proposed assignee or purchaser pursuant to the criteria set forth in this Section 504(c) and other criteria as reasonably determined by the Agency. The Agency shall approve or disapprove the request within thirty (30) days of its receipt of the Developer's notice and all information and materials required herein. In no event, however, shall the Agency be obligated to approve the assignment or transfer of the Agency Loan, Promissory Note or Deed of Trust pursuant to this Section 504, except to an approved transferee or assignee of the Developer's rights in and to the Property.

d. **Successors and Assigns.** This Agreement shall run with the land, and all of the terms, covenants and conditions of this Agreement shall be binding upon the Developer and the permitted successors and assigns of the Developer. Whenever the term "Developer" is used in this Agreement, such term shall include any other permitted successors and assigns as herein provided.

505. No Third Parties Benefited. This Agreement is made and entered into for the sole protection and benefit of the Agency and Developer and their permitted successors and assigns, and no other person or persons shall have any right of action hereon.

506. Partial Invalidity. If any provision of this Agreement shall be declared invalid, illegal, or unenforceable, the validity, legality, and enforceability of the remaining provisions hereof shall not in any way be affected or impaired.

507. Governing Law. This Agreement and the Loan Documents and other instruments given pursuant hereto shall be construed in accordance with and be governed by the laws of the State of California. Any references herein to particular statutes or regulations shall be deemed to refer to successor statutes or regulations, or amendments thereto.

508. Amendment. This Agreement may not be changed orally, but only by agreement in writing signed by Developer and Agency.

509. Approvals. Where an approval or submission is required under this Agreement, such approval or submission shall be valid for purposes of this Agreement only if made in writing. Where this Agreement requires an approval or consent of the Agency, such approval may be given on behalf of the Agency by the Agency Executive Director or his or her designee. The Agency Executive Director or his or her designee is hereby authorized to take such actions as may be necessary or appropriate to implement this Agreement on behalf of the Agency, including without limitation the execution of such documents or agreements as may be contemplated by this Agreement, revisions to

the Schedule of Performance, and amendments which do not substantially change the uses or restrictions hereunder, or substantially add to the costs of the Agency hereunder.

510. Exhibits if executed. When Exhibits are executed as if an original document, then it will be assumed that the intent of the signatory was that such exhibit be treated as a stand alone original, and not merely as an exhibit.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement as of the date set forth above.

Amendment to Loan Agreement and Promissory Notes

[See the pages that follow]

LOAN AGREEMENT AMENDMENT NO. 1

THIS LOAN AGREEMENT AMENDMENT NO. 1 (the "Amendment") is entered into this 25th day of January, 2007 by and among the **CITY OF BURBANK**, a California municipal corporation (the "City"), the **REDEVELOPMENT AGENCY OF THE CITY OF BURBANK**, a public body, corporate and politic (the "Agency"), and **BURBANK HOUSING CORPORATION**, a California nonprofit corporation (the "Developer").

Recitals

A. On October 23, 2006, Developer, the Agency, and the City of Burbank ("City"), entered into a Loan Agreement which restated and amended the prior Affordable Housing Agreements as to twelve income-restricted projects, and combined all properties into one loan agreement. The new loan agreement includes cross collateralization and cross default clauses, as further security for the Agency and City. Additionally, a new deed of trust was recorded on all twelve projects securing the combined debt of Developer. The deed of trust recorded as Instrument No. 06 2369323 in the Los Angeles County's Recorders Office, states that it "secures all indebtedness owed to Beneficiary [City and Agency]for future amounts made from time to time, according to the terms of promissory notes made by Trustor [BHC]" and as to "payment of additional sums and interest thereon which may hereafter be loaned to Trustor...when evidenced by a promissory note or notes reciting that they are secured by this Deed of Trust as modified, and when this Deed of Trust is amended to included additional obligation."

B. The parties desire to amend the Loan Agreement in conjunction with two new Affordable Housing Agreements entered into on January 23, 2007, to document the additional loan to Developer, and to modify and amend the deed of trust securing said loan.

C. Agency, City and Borrower entered into an Affordable Housing Agreement for the property located at 261 West Verdugo Avenue in the City of Burbank (the "Property"), located on the land more particularly described in the Legal Description attached hereto as Exhibit A to the Affordable Housing Agreement, and incorporated herein by reference; the property will be rehabilitated so that eight (8) affordable rental units will exist (Project No. 13).

D. As to Project No. 13, the City desires to provide financial assistance to Developer in the form of a loan of HOME funds up to the amount of Eight Hundred Forty-Eight Thousand, Six Hundred and Fifty-Three Dollars (\$848,653.00) (the "City Loan"), and the Agency desires to provide financial assistance to the Developer in the form of a loan of Housing Funds in the amount of Eight Hundred Sixty-Three Thousand, Seven Hundred and Fourteen Dollars (\$863,714.00) (the "Agency Loan"), towards acquisition and rehabilitation of the Property. However, the City Loan is a conditional commitment subject to approval of the release of funds by the U.S. Department of Housing and Urban Development ("HUD"). Until such approval occurs, the Agency shall provide the Eight Hundred Forty-Eight Thousand, Six Hundred and Fifty-Three Dollars (\$848,653.00) ("Agency Temporary Loan"). If the HOME funds are authorized for release, then Developer shall enter into a promissory note with the City, the Agency Temporary Loan shall be paid off with that City Loan. In consideration for the City Loan, the Agency Loan, and the Agency temporary Loan, the Developer desires to acquire and rehabilitate the Property, and to maintain the Property as an affordable housing project.

E. Agency and Borrower entered into an Affordable housing Agreement concerning 2219 and 2329 North Niagara Street in the City of Burbank (the "Property"), located on the land more particularly described in the Legal Description attached hereto as Exhibit A to the Affordable Housing Agreement and incorporated herein by reference: the property will provide six (6) affordable rental units (Project No. 14).

F.. As to Project No. 14, the Agency desires to provide financial assistance to the Borrower in the form of a loan of Housing Funds in the amount of One Million, Eight Hundred Thirty-Six Thousand, Nine Hundred Twenty-Nine Dollars (\$1,836,929.00) (the "Agency Loan"), to acquire and rehabilitate the Property. In consideration for the Agency Loan, the Borrower desires to acquire and rehabilitate the Property, and to maintain the Property as an affordable housing project.

G. The Loan Agreement establishes unified loan terms as to the payment and administration of the loan.

Amendment

The parties agree as follows:

1. The first paragraph of Section 1 "Loans for Individual Properties" only is amended to add the following:

Two new projects are being added to the Loan: Project Nos. 13 and 14. The specific terms of each loan are set forth in the respective Affordable Housing Agreement, this Agreement and the attached Notes, all of which are incorporated herein by this reference. All of the provisions set forth in 1.1-1.3 shall apply as is to the increased loan for the new properties.

2. Sec. 1.4 "Security for Agency and City Loan" is amended by adding the following:

The loans for the two additional projects (Project Nos. 13 and 14 shall be secured by the Deed of Trust, recordation no. 06 2369323 and dated October 23, 2006. The specific Notes for each of the new properties are attached hereto as Exhibit A and incorporated by this reference. These Notes shall be added to the existing Notes. The Deed of Trust secures the additional sums (collectively, \$3,549,296.00) as well as the amount in existence as of October 23, 2006 (then \$20,003,347.62). The Notes for the new properties include cross collectivization and cross default provisions.

3 Sec. 1.5 "Conditions to Disbursements of Agency Loan" is amended. This section does not apply to new loans. Specific disbursement requirements are set forth in the Affordable Housing Agreement for Project Nos. 13 and 14 respectively.

4. Sec. 5.4 "Integration." Is amended to include the respective Affordable Housing Agreements for Properties 13 and 14.

5. The Deed of Trust is amended and modified automatically whenever additional loans are provided to Borrower. Each new property though subject to the Deed of Trust shall have Exhibit B recorded as to the new property only.

6. Either the City or the Agency have the right to amend this Loan Agreement to reflect additional future funds being provided to Borrower. Such Notes shall be secured by the Deed of Trust dated October 23, 2006, as automatically modified to reflect new properties.

7. All other terms of the Loan Agreement not inconsistent with this Amendment shall remain in full force and effect.

The rights and obligations of the Borrower and the Agency under this Note shall be governed by the Agreement and by the additional terms set forth in this Note.

2. **Interest.** The Note Amount shall accrue interest at the rate of three percent (3%) simple interest over fifty-five (55) years. Any balance of the Note shall be due in full on the anniversary date in the 55th year.

3. **Repayment of Note Amount.** Borrower shall make an annual payment equal to one hundred percent (100%) of the "Residual Receipts", as hereafter defined, unless payments are accelerated in accordance with the Note. The first residual receipt payment and compliance date shall be April 1, 2008, as set forth below, and continuing every year thereafter until payment has occurred in full.

3.1 **Definitions.** As used in this Note the following definitions apply:

"Approved General Administrative Costs" shall mean costs incurred by Borrower as a Non-profit corporation which are not directly attributable to a specific project, but which are directly related to preserving affordable housing for low-to moderate-income households in accordance with Health & Safety Code Sec. 33334.2(e) and pursuant to the mission statement and goals of Borrower.

"Approved Project Residual Receipts" shall be defined as the Income less the sum of the Operating Expenses and Reserve Deposits for each calendar year.

"Income" shall mean all gross income and all revenues of any kind from the Property in a calendar year, including without limitation, Property rents, late charges, laundry revenues, vending machines, interest on security deposits, food service, if any, and any other revenues of whatever kind or nature from the Property.

The exact amounts of the per unit cost as to the capital replacement reserve and operating reserve accounts shall be determined by the Agency Assistant Executive Director each Jan. 1. Two accounts shall be maintained at all times, each account though can be combined with other Projects reserve account for capital replacement and other Projects operating reserve accounts as allowed by Agency's Executive Director. The reserves accounts may then be used on any of the Properties as necessary.

"Residual Receipts" shall mean the "Approved Project Residual Receipts" less the "Approved General Administrative Costs" (if any).

3.2 Annual budget process required. No later than Jan. 1 of each calendar year, Borrower shall confer with Agency and present a budget for that calendar year. During this budget process, the parties shall meet and the Agency Assistant Executive Director shall determine at that time, the parameters of the exact reserve amounts, as well as the reasonableness of the other estimated expenses and income. The parties shall again meet no later than Dec. 31 of each calendar year to reconcile the budget. Borrower shall obtain annual audited financial statements with respect to the Property that have been reviewed by an independent certified public accountant together with an expressed written opinion of the certified public accountant that such financial statements present the financial position, results of operations, and cash flows fairly and in accordance with generally accepted accounting principles. At that time, the Assistant Executive Director shall provide Borrower with approval as to Approved General Administrative Costs and Approved Project Residual Receipts if any.

The Residual Receipts shall be reported to the Agency annually in the form of a residual receipts report approved by the Agency. Notwithstanding the foregoing, the full Note Amount may be accelerated as set forth herein.

4. **Security.** This Note shall be secured by the Deed of Trust recorded as Instrument No. 06 2369323 in Official Records of the Los Angeles County Recorders Office on 10/25/06. A second Deed of Trust, which incorporated the initial deed of trust and which reflects the additional security shall be recorded on the property described in the Agreement. The underlying loan requires that the property act as security for all of the Notes provided to Agency and City by Borrower through a cross collectivization and cross default provision. A default of this Note could result in foreclosure of all twelve projects identified in the 10/25/06 Deed of Trust, plus the new properties identified in the supplemental Deed of Trust., and any future properties which secure future indebtedness.

- a. Borrower expressly agrees that this Note or any payment hereunder may be extended from time to time at the Agency's sole discretion and that the Agency may accept security in consideration for any such extension or release any security for this Note at its sole discretion all without in any way affecting the liability of Borrower.

THIS REGULATORY AGREEMENT (the "Agreement") is entered into as of this 25th day of January, 2007 by and between the **REDEVELOPMENT AGENCY OF THE CITY OF BURBANK**, a public body, corporate and politic (the "Agency"), and **BURBANK HOUSING CORPORATION**, a California nonprofit corporation (the "Developer").

RECITALS

A. The Agency is required by California Health and Safety Code Section 33334.2, *et seq.*, to expend a certain percentage of property taxes allocated to it for the purpose of increasing, improving and preserving the City of Burbank's supply of low- and moderate-income housing available at an affordable housing cost. Pursuant thereto, the Agency has established a Low and Moderate Income Housing Fund (the "Housing Fund").

D. E. The execution and recording of this Agreement is a condition to the Agency making assistance available to the Developer pursuant to the Affordable Housing Agreement.

NOW, THEREFORE, the parties hereto agree as follows:

1. Duty to Prevent Hazardous Material Contamination. During the Rehabilitation and operation of the Property, the Developer shall take all necessary precautions to prevent the release of any Hazardous Materials into the environment on or under the Property. Such precautions shall include compliance with all Governmental Requirements with respect to Hazardous Materials. The Developer shall notify the Agency, and provide to the Agency a copy or copies, of any notices of violation, notices to comply, citations, inquiries, clean-up or abatement orders, cease and desist orders, reports filed pursuant to self-reporting requirements and reports filed or applications made

pursuant to any Governmental Requirement relating to Hazardous Materials and underground tanks, and the Developer shall report to the Agency, as soon as possible after each incident, any unusual, potentially important incidents in the event of a release of any Hazardous Materials into the environment.

For purposes of this Section 1, "Governmental Requirements" shall mean all laws, ordinances, statutes, codes, rules, regulations, orders and decrees of the United States, the state, the county, the City, or any other political subdivision in which the Property is located, and of any other political subdivision, agency or instrumentality exercising jurisdiction over the City, the Developer or the Property.

For purposes of this Section 1, "Hazardous Materials" means any substance, material, or waste which is or becomes, regulated by any local governmental authority, the State of California, or the United States Government, including, but not limited to, any material or substance which is (i) defined as a "hazardous waste," "extremely hazardous waste," or "restricted hazardous waste" under Section 25115, 25117 or 25122.7, or listed pursuant to Section 25140 of the California Health and Safety Code, Division 20, Chapter 6.5 (Hazardous Waste Control Law)), (ii) defined as a "hazardous substance" under Section 25316 of the California Health and Safety Code, Division 20, Chapter 6.8 (Carpenter-Presley-Tanner Hazardous Substance Account Act), (iii) defined as a "hazardous material," "hazardous substance," or "hazardous waste" under Section 25501 of the California Health and Safety Code, Division 20, Chapter 6.95 (Hazardous Materials Release Response Plans and Inventory), (iv) defined as a "hazardous substance" under Section 25281 of the California Health and Safety Code, Division 20, Chapter 6.7 (Underground Storage of Hazardous Substances), (v) petroleum, (vi) friable asbestos, (vii) polychlorinated biphenyls, (viii) methyl tertiary butyl ether, (ix) listed under Article 9 or defined as "hazardous" or "extremely hazardous" pursuant to Article 11 of Title 22 of the California Code of Regulations, Division 4, Chapter 20, (x) designated as "hazardous substances" pursuant to Section 311 of the Clean Water Act (33 U.S.C. §1317), (xi) defined as a "hazardous waste" pursuant to Section 1004 of the Resource Conservation and Recovery Act, 42 U.S.C. §§6901, et seq. (42 U.S.C. §6903) or (xii) defined as "hazardous substances" pursuant to Section 101 of the Comprehensive Environmental Response, Compensation, and Liability Act, 42 U.S.C. §§9601, et seq.

2. Rehabilitation of the Property. The Developer agrees to rehabilitate the Property in accordance with the provisions of the Affordable Housing Agreement, the Scope of Work which is attached to the Affordable Housing Agreement as Exhibit E and incorporated herein by reference, the Federal Housing Quality Standards, 24 CFR § 882.109, the City Municipal Code and all other applicable local codes, rehabilitation standards, ordinances and zoning ordinances, the lead based paint requirements of 24 CFR part 35, and accessibility standards pursuant to 24 CFR part 8 (the "Rehabilitation"). The Rehabilitation shall be conducted in such a manner so as to avoid or minimize tenant displacement to the greatest extent feasible, in accordance with the provisions of Section 209.2 of the Affordable Housing Agreement.

3. Compliance With Laws. The Developer shall carry out the acquisition, design, Rehabilitation and operation of the Property in conformity with all applicable laws, including all applicable state labor standards, City zoning and development standards, building, plumbing, mechanical and electrical codes, and all other provisions of the City Municipal Code, and all applicable disabled and handicapped access requirements, including without limitation the Americans With Disabilities Act, 42 U.S.C. Section 12101, et seq., Government Code Section 4450,

et seq., Government Code Section 11135, et seq., and the Unruh Civil Rights Act, Civil Code Section 51, et seq.

4. Affordable Units.

The Developer agrees to make available, restrict occupancy to, and lease two (2) of the housing units within the Property to households with incomes that do not exceed fifty percent (50%) of Los Angeles County median income ("AMI"), adjusted for family size ("Very Low Income Households"), as established and amended from time to time by the United States Department of Housing and Urban Development ("HUD"), and the remaining two (2) units to households with incomes that do not exceed one hundred eighty percent (80%) of AMI, as adjusted for household size, ("Low Income Households") as established and amended from time to time by HUD; two (2) units to households with incomes that do not exceed 120% of the AMI, as adjusted for household size ("Moderate Income Households") as established and amended from time to time by HUD, all at an Affordable Rent (the "Affordable Units"). If after the tenant's initial occupancy of an Affordable Unit designated for Low Income Households, the tenant's income increases to greater than eighty percent (80%) of Los Angeles County Median Income, adjusted for family size, the Monthly Rent charged by Developer may be increased to the maximum rent set forth in Section 302 of the Affordable Housing Agreement. The Developer shall comply with the terms set forth below and in the Regulatory Agreement which is attached hereto as Exhibit D and incorporated herein by reference.

The Developer shall annually submit to the Agency a completed income computation and certification form, in a form to be provided by the Agency, and such forms may change from time to time. The Developer shall certify that each tenant of the Property meets the income restrictions of Section 301 of the Affordable Housing Agreement. The Developer shall obtain an income certification from the tenant of the Property which shall certify that the income of the tenant is truthfully set forth in the income certification form. Unless otherwise specified by the Agency, the Developer shall verify the income certification of the tenant in one or more of the following methods:

- a. obtain two (2) paycheck stubs from the tenant's two (2) most recent pay periods, if any.
- b. obtain a true copy of an income tax return from the tenant for the most recent tax year in which a return was filed.
- c. obtain an income verification certification from the employer of the tenant.
- d. obtain an income verification certification from the Social Security Administration and/or the California Department of Social Services if the tenant receives assistance from such agencies.
- e. obtain an alternate form of income verification reasonably requested by the Developer, if none of the above forms of verification is available to the Developer.

The Property shall be subject to the requirements of Article 300 of the Affordable Housing Agreement in perpetuity commencing upon the date of the Developer's acquisition of the Property. The duration of this requirement shall be known as the "Affordability Period."

5. Affordable Rent.

The maximum Monthly Rent chargeable for the Affordable Units shall be annually determined by the Agency in accordance with Community Redevelopment Law requirements and the following requirements:

a. The Monthly Rent payable by the tenant of the Affordable Unit designated for Very Low Income Households shall not exceed the lesser of (a) the fair market value for comparable housing in the area as established by HUD, less the monthly allowance for utilities and services to be paid by each tenant, or (b) thirty percent (30%) of fifty percent (50%) of Los Angeles County median income, as determined by the State of California, for a household size appropriate to the unit. Notwithstanding the foregoing, however, if after the tenant's initial occupancy of the housing unit, the tenant's income increases to greater than fifty percent (50%) and less than eighty percent (80%) of Los Angeles County Median Income, adjusted for family size, the Monthly Rent charged by Developer shall not exceed the lesser of (a) the fair market value for comparable housing in the area as established by HUD, less the monthly allowance for utilities and services to be paid by each tenant, or (b) thirty percent (30%) of sixty percent (60%) of Los Angeles County median income, as determined by the State of California, for a household size appropriate to the unit. If after the tenant's initial occupancy of the housing unit, the tenant's income increases to greater than eighty percent (80%) of Los Angeles County Median Income, adjusted for family size, the Monthly Rent charged by Developer shall not exceed thirty percent (30%) of the tenant's adjusted income.

b. The Monthly Rent payable by each tenant of an Affordable Unit designated for Low Income Households shall not exceed the lesser of (a) the fair market value for comparable housing in the area as established by HUD, less the monthly allowance for utilities and services to be paid by each tenant, or (b) thirty percent (30%) of sixty percent (60%) of Los Angeles County median income, as determined by the State of California, for a household size appropriate to the unit. Notwithstanding the foregoing, however, if after the tenant's initial occupancy of the housing unit, the tenant's income increases to greater than eighty percent (80%) of Los Angeles County Median Income, adjusted for family size, the Monthly Rent charged by Developer shall not exceed thirty percent (30%) of the tenant's adjusted income.

c. The Monthly Rent payable to the tenant of the Affordable Unit designated for Moderate Income Households shall not exceed thirty five percent (35%) of one hundred ten percent (110%) of Los Angeles County median income, as determined by the State of California, for a household size appropriate to the unit.

d. For purposes of this Agreement, "Monthly Rent" means the total of monthly payments for (a) use and occupancy of the Property and land and legally required facilities associated therewith (including parking), (b) any separately charged fees or service charges assessed by the Developer which are required of all tenants, other than security deposits, (c) a reasonable allowance for an adequate level of service of utilities not included in (a) or (b) above, including garbage collection, sewer, water, electricity, gas and other heating, cooking and refrigeration fuels, but not including telephone service, and (d) possessory interest, taxes or other fees or charges assessed for use of the land and facilities associated therewith by a public or private entity other than Developer.

6. Lease Requirements. Prior to rental of any of the Property, the Developer shall submit a standard lease form to the Agency for its approval. The Agency shall reasonably approve

such lease form upon finding that such lease form is consistent with this Agreement. The Developer shall enter into a written lease, in the form approved by the City, with each tenant of the Property.

7. **Affirmative Marketing.** The rental of the Affordable Units shall be conducted in accordance with the affirmative marketing requirements which have been adopted by the Agency.

8. **Selection of Tenants.** The Property shall be leased to tenants selected by the Developer who meet all of the requirements provided herein.

9. **Occupancy Standards.** To the extent legally possible, occupancy of the Affordable Units shall be limited to two persons per bedroom plus one additional person. Notwithstanding the foregoing, however, no residents of the Affordable Units as of the date of this Agreement shall be evicted from their apartment units solely because such residents do not meet the occupancy standards requirements of Section 307 of the Affordable Housing Agreement.

10. **Maintenance.** The Developer shall maintain or cause to be maintained the interior and exterior of the Property in a decent, safe and sanitary manner. If at any time Developer fails to maintain the Property in accordance with this Agreement and such condition is not corrected within five days after written notice from the Agency with respect to graffiti, debris, waste material, and general maintenance, or thirty days after written notice from the Agency with respect to landscaping and building improvements, then the Agency, in addition to whatever remedy it may have at law or at equity, shall have the right to enter upon the applicable portion of the Property and perform all acts and work necessary to protect, maintain, and preserve the Property and landscaped areas on the Property, and to attach a lien upon the Property, or to assess the Property, in the amount of the expenditures arising from such acts and work of protection, maintenance, and preservation by the Agency and/or costs of such cure, including a reasonable administrative charge, which amount shall be promptly paid by Developer to the Agency, as appropriate, upon demand.

11. **Management Plan.** The Developer shall submit for the approval of the Agency a "Management Plan" which sets forth in detail the Developer's property management duties, the affirmative marketing procedures in accordance with Section 7 hereof, the tenant selection process in accordance with Section 8 hereof, a security system and crime prevention program, the procedures for the collection of rent, the procedures for eviction of tenants, the rules and regulations of the Property and manner of enforcement, a standard lease form in accordance with Section 6 hereof, the identity of the manager of the Property (the "Property Manager"), and other matters relevant to the management of the Property. The Management Plan shall require the Developer to adhere to a fair lease and grievance procedure and provide a plan for tenant participation in management decisions. The management of the Property shall be in compliance with the Management Plan which is approved by the Agency.

If the Agency determines that the performance of the Property Manager is deficient based upon the standards set forth in the Management Plan and in this Agreement, the Agency shall provide notice to the Developer of such deficiencies, and the Developer shall use its best efforts to correct such deficiencies. In the event that such deficiencies have not been cured within the time set forth in Section 14 hereof, the Agency shall each have the right to require the Developer to immediately remove and replace the Property Manager with another property manager or property management company which is reasonably acceptable to the Agency, which is not related to or affiliated with the Developer, and which has not less than five (5) years experience in property management, including

significant experience managing affordable multifamily residential development of the size, quality and scope of the Property.

12. Monitoring and Recordkeeping. Throughout the Affordability Period, Developer shall comply with all applicable recordkeeping and monitoring requirements and shall annually complete and submit to the Agency a Certification of Continuing Program Compliance in the form provided by the Agency. Representatives of the Agency shall be entitled to enter the Property, upon at least twenty-four (24) hours notice, to monitor compliance with this Agreement, to inspect the records of the Property, and to conduct an independent audit or inspection of such records. The Developer agrees to cooperate with the Agency in making the Property available for such inspection or audit. If for any reason the Agency is unable to obtain the Developer's consent to such an inspection or audit, the Developer understands and agrees that the Agency may obtain at Developer's expense an administrative inspection warrant or other appropriate legal order to obtain access to and search the Property. Developer agrees to maintain records in businesslike manner, and to maintain such records for the term of this Agreement.

13. Non-Discrimination Covenants. Developer covenants by and for itself, its successors and assigns, and all persons claiming under or through them that there shall be no discrimination against or segregation of any person or group of persons on account of race, color, religion, sex, marital status, familial status, disability, national origin, or ancestry in the sale, lease, sublease, transfer, use, occupancy, tenure, or enjoyment of the Property, nor shall Developer itself or any person claiming under or through it, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees, or vendees in the Property. The covenants established in this Section 13 shall, without regard to technical classification and designation, be binding for the benefit and in favor of the Agency and their successors and assigns, and shall remain in effect in perpetuity.

14. Defaults and Remedies. Defaults of this Agreement and remedies therefor shall be governed by the provisions of Article 400 of the Affordable Housing Agreement.

15. Waiver of Terms and Conditions. Any party may, in its sole discretion, waive in writing any of the terms and conditions of this Agreement. Waivers of any covenant, term, or condition contained herein shall not be construed as a waiver of any subsequent breach of the same covenant, term, or condition.

16. Non-Liability of Agency Officials and Employees. No member, official, employee or agent of the Agency shall be personally liable to the Developer, or any successor in interest, in the event of any default or breach by the Agency or for any amount which may become due to the Developer or its successors, or on any obligations under the terms of this Agreement.

17. Time. Time is of the essence in this Agreement.

18. Notices. Any approval, disapproval, demand, document or other notice ("Notice") which either party may desire to give to the other party under this Agreement must be in writing and may be given either by (i) personal service, (ii) delivery by reputable document delivery service such as Federal Express that provides a receipt showing date and time of delivery, or (iii) mailing in the United States mail, certified mail, postage prepaid, return receipt requested, addressed to the address of the party as set forth below, or at any other address as that party may later designate by Notice:
